

## Frontier Fellowship First and Third Sunday Services

In 1999, several believers were worshipping in East St. Paul when the Lord spoke to get up, grab some trash bags and head down to a notorious strip club. No, they weren't going as customers, but as prophets! The mission was a 'stealth clean-up' project in the Spirit. They went to spiritually 'clean-up' the neighborhood. After gathering every bit of trash around the building, they joined hands, and prayed that God would deliver the building into the kingdom, for His purposes. Within one year, the **Payne Reliever** was shut down. After re-opening as a house of charitable gambling and a restaurant, it closed again, only to lie dormant, used occasionally by various non-profits and groups needing a meeting place. After a few years, a miracle happened! The building became the meeting place for a church!! There is no way to explain this in the natural realm. It must be understood to be a miracle that only God could perform, in answer to the heart-felt prayers of His people.
