

Coming soon to Frontier....

Want to learn more about The City? Watch a Webinar.

<http://www.onthecity.org/experience/webinar>

Frontier Fellowship will soon be online with a new social media tool called The City. The City will be a place where you can learn more about us and we can learn more about you! The City interfaces with other social media tools like Facebook and Twitter and is very easy to use.

To view a webinar to learn more about how The City works, click the link above, and [let us know how you like it!!](#)

General Overview: Increasing church vitality and building a mission-focused community

In this Webinar, you'll see what churches who are using The City are doing to revolutionize communication, accelerate growth by connecting newcomers, and building a community that is engaged throughout the week.

This Webinar includes:

- An overview of The City
- Examples and best practices for how it's being used

Who Should Attend: Anyone interested in learning more about The City!
