

The Story- Getting to the Heart of God's Story

During 2012, Frontier members will be on a journey together. Our quest is to get to know the Word of God, and by doing this, to get to know the God of the Word. We will learn that heaven and earth are woven more closely together than we ever dreamed. Come along, and draw near, as we experience God's master plan unfolding in our lives.

Throughout the Bible, we see two beautiful, parallel dramas unfold: God is real. He is present, and He is working on our behalf. Heaven is breaking into the world more than we recognize. The story of God's seeking love, grace and desire for relationship with us is breathtaking. At the same time, we live on Earth. We make mistakes, run from God, and resist His advances of love. Sometimes we get so involved in our own story that we fail to recognize God's presence breaking into our world. We forget that the God of heaven longs to have a relationship with us. These two parts make up *"The Story."*

The Story is broken up into 31 sections. Each of these sections looks at both aspects. We will address two sections on First Sundays and two sections on Third Sundays, beginning in January, and ending in September.
